Postlude Kevin Worth

A mother always understands
the things you say and do.

She overlooks each of your faults,
she finds the best in you.

A Mother's love is a special love,
it inspires you each day.

She spreads her joy and happiness
in her warm and caring way . . .

A Mother's all these things and more,
there's no greater treasure known.

The most precious Mom in all the world
is the one I call my own.

John Trapani

Let not your heart be troubled; you believe in God, believe also in Me. In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also—John 14:1-3
